

## Learner Involvement Strategy

t2 group is intent on advancing learner involvement across all its learning activities, as it believes this will enrich and make a more rounded learning experience.

t2 group Learner Involvement Strategy has essential factors that contribute to their academic achievement and to the potential economic strengths of the organisation, in terms of increased achievement and progression rates, participation and retention.

t2 group Learner involvement Strategy is implemented at board level and is supported by additional policies that provide for an organisation wide integrated approach to learner involvement.

### The Learner Journey

### Commitment to Learner Involvement

t2 group firmly believe that excellence will be achieved through recognising the value of involvement from every individual learner. We aim to create an environment that respects the voice of learners and clients which will enable

them to achieve their full potential: to contribute fully, and to drive maximum benefit from their involvement with t2 group.

To this end, the organisation acknowledges the following basic rights for all learners and clients:

- To be treated with respect
- To be treated fairly
- To receive encouragement to reach their full potential

### **Responsibility**

The Board has overall responsibility for ensuring that the organisation operates within a framework of involvement for all learners and clients.

The organisation recognises that all of its staff, have a duty to support and uphold the principles contained within this policy and supporting policies. The commitment of all staff, learners and clients is required to make the policy a success.

### **Implementation**

The Learner Involvement Strategy is implemented through those policies which relate to the involvement of all learners, in particular:

- Initial Guidance Procedure
- 1st Visit Procedure
- Learner Feedback Procedure
- Workshop Evaluation

Learner's also have a voice in:

The dedicated section on the company website - Learner Voice  
The assessment planning cycle  
The mandatory discussion in the management suite of QCF's

### **Communication**

The Learner Involvement Strategy is available to all learners via the learner portal on the t2 group website.

The Learner Involvement Strategy is available to all staff via the internet.

Staff Induction will provide a means by which the Policy and supporting policies are communicated to staff and internalised in their behavior.

Other methods of communication include:

- Staff newsletter
- Staff 1:1's
- Staff meetings

### **Review**

The Learner Involvement Strategy will be reviewed in line with t2 group Quality Cycle, Self-Assessment Review and Quality Improvement Plan.
